SUB:- TRAINING LETTER FOR B.TECH THIRD YEAR

Dear Sir/Madam,

Marching from strength to strength, National Institute of Technology Patna provides the necessary academic curriculum for its students. Being an institute of national importance it marches on the path of academic and research excellence, as also to accelerate the pace of innovations.

NIT Patna enjoys a cordial and professional relationship with your esteemed organization by way of mutually beneficial contributions. From the very beginning, NIT Patna lays greater emphasis on in situ industrial training. Practical Training for B.E. students is an integral part of the curriculum and is in-built into the programs of study. Accordingly, the students have to undergo the following training programs:

- 4 weeks (First Week of December to First Week of January) during Winter Vacations, after fifth semester, for all branches of engineering
- 8 weeks (First week of June to Last Week of July) during Summer Vacations, after sixth semester for all branches of engineering.

Name.....Roll No.....

Branch.....Phone No.....

Email.....

It is earnestly hoped that this /these students will be accepted by your organization for the above stated industrial training program.

With sincere regards,

Authorized Signatory
